Work of Div. 25

See A. AD/CD - 25 June 48 With the workload of approximately 1,000 intelligence documents per working day of which 900 are to be abstracted and 100 to be indexed, the present staff of 20 professionals is inadequate. Processing an average of 30 documents per day per abstractor, it is estimated that 32 professionals are required for the total efficient processing of these abstracts.
